

CitySquare Housing Programs provide more than 600 units of housing to help prevent and end homelessness in Dallas County

A Way Home (AWH) – Our newest housing program, AWH, was created through a collaborative partnership with Family Gateway, and funded by a City of Dallas grant. The program’s goal is to help families or females who have more recently lost housing to quickly exit homelessness and return to permanent housing in moderate- and high-opportunity areas. We utilize a Rapid Rehousing model that allows our neighbors to have housing choice—they select their apartment community, and a case manager offers ongoing support. Direct inquiries to Cindy Duran: cduran@citysquare.org.

Destination Home (DH) – Since 2006, more than 1,500 chronically homeless single adults have been housed through DH. Through Continuum of Care funding, DH provides permanent supportive housing and case management services to more than 240 adults annually. They receive counseling, drug and alcohol treatment, job support/training, and other services designed to assist them, intending to stabilize their lives and establish a pattern of healthier behaviors, leading to self-sufficiency. Eligible single adults must be on the MDHA Housing Priority List and have an annual income of 50% of AMI or less. Direct inquiries to Deanna Adams: 214-542-1482 or dkadams@citysquare.org.

Transition Resource Action Center (TRAC) – TRAC connects young people, ages 14-24, transitioning from substitute care toward self-sufficiency, with individualized support, planning, and access to community services. The program covers a 19-county area served by Child Protective Services - North Texas region. TRAC has two HUD-funded grants that serve two different targeted populations. The **OnTRAC Permanent Housing Project** can serve up to 35 young adults, 18-24 years old, formerly in foster or juvenile care and are currently disabled and homeless. The **TRAC Transitional Living Housing** program can serve 15 youth who are homeless or at imminent risk of homelessness. This program combines transitional housing and rapid rehousing to assist youth needing short-term housing assistance and is designed to assist them as they transition to self-sufficiency. Direct inquiries to Carla Cleeton: 214-370-9300, ext. 24 or ccleeton@citysquare.org.

CityWalk@Akard (CityWalk) – Our partner, **CitySquare Housing**, owns and operates a 15-story building in downtown Dallas. This diverse vertical neighborhood is home to 200 low-income individuals, half of whom were formerly homeless or at risk of becoming homeless. CityWalk provides quality, affordable housing for low-income wage earners who work in and around downtown. Supportive services for the residents using a Housing First approach are offered by our **Community Life Team**. Dallas Housing Authority vouchers fund 160 of the 200 apartments at CityWalk. Individuals and families who have DHA vouchers, or who wish to see if they qualify for a project-based voucher, should contact the CityWalk leasing office at 214-468-8826.

The Cottages at Hickory Crossing – CitySquare and CitySquare Housing teamed up to provide this truly unique housing program, made possible through the generous financial support of private donors, foundations, government, and non-profit agencies. The Cottages, across the street from the CitySquare Opportunity Center, are 350+ sq. ft. tiny homes that offer 50 units of permanent supportive housing designed to provide stable housing for our city’s most chronically homeless individuals. Onsite medical and mental health services are provided for all residents, creating a significant ongoing savings for the City and the County. For program eligibility or other questions email CottagesLeasing@CitySquare.org

Healthy Community Collaborative – Through a partnership with the City of Dallas, emergency shelters, and other non-profit agencies, CitySquare provides street outreach, housing placement and 30 units of rapid rehousing (interim housing) for chronically homeless individuals prioritized by the Metro Dallas Homeless Alliance (MDHA). Program criteria include single adults only, must be chronically homeless, appear on the MDHA Housing Priority List, and have a documented Axis I mental health disorder and/or substance abuse disorder. Direct program inquiries to Yolanda Williams: 469-904-7022 or ywilliams@citysquare.org.

For individuals or families at risk of homelessness or experiencing homelessness: Yolanda Williams, Homeless Outreach Team Program Manager, 469-904-7022 or ywilliams@citysquare.org, or refer them to Walk-In Case Mgmt. Services.

For general housing program information: Edd Eason, VP of Health & Housing, 469-904-7065 or eeason@citysquare.org.
